**French and German Revision Guides for the New 9 -1 GCSE**

In line with changes to the GCSE specifications, publishers Collins and CGP have produced revision guides to support your child in their language studies. I would like to offer you the opportunity to purchase these resources at a reduced price only available to schools.

The titles we recommend are as follows:

**Collins All in One French Revision Guide and Practice (£4.50)**

**CGP German Revision Guide and Workbook (sold together for £4.50)**

We already have a number of these guides in stock, so your child can bring in their payment and hand this directly to their French/German teacher in their lesson. Alternatively please complete the reply slip below and send a cheque (made payable to SCC Stowmarket High School) or cash in a sealed and named envelope for the attention of your child's French/German teacher and we will ensure that a revision guide is set aside for them. A revision guide will be provided without charge to any student in receipt of free school meals.

If you require any further information on the new courses or revision guides, please do not hesitate in contacting us.

Yours sincerely

*L. Burgess*
