As your child's Food Technology teacher, I am delighted to inform you of the fantastic opportunity for our class to go to the **Good Food Show in Birmingham** at the NEC on **Thursday, 15th June 2017**.

It will be a day filled with interesting food facts with the students being able to try new products from a number of stations available. For part of the day we have booked a show to watch live demonstrations from **Mary Berry and Alan Titchmarsh**. There will also be a variety of stages to watch these and other award-winning chefs in action, as well as learning about nutrition and seasonal produce - seed to plate inspiration. This is to help continue to inspire and educate the students as they push forward with their GCSE exams.

The cost of the day including entry and travel will be **£35.00** and this includes the show in the super theatre. The students are **not** expected to wear school uniform on the day, but are required to wear appropriate clothing for a day inside and on their feet. There will be food stools available but some may find it beneficial to bring a packed lunch as there are a number of picnic spots in the complex. If you are entitled to free school meals and would like to order a packed lunch please indicate below.

The travel to Birmingham will be a few hours so with this in mind we will leave Stowmarket High School at 7.15am and will aim to be returning at 6.00pm. If you require financial assistance to enable your child to take part please contact the school.

If you are happy for your child to take part in this exciting opportunity, please return the reply slip attached by Friday, 21st April 2017. If you have any questions or queries then do not hesitate to contact me via email at: rf@stowmarkethigh.suffolk.sch.uk

Yours Sincerely

R. Forde
