Improving Communication with our Community

We are delighted to share with you two exciting tools we are using to keep you up to date with news, events, successes and general everyday insights into school life here at Stowmarket High School. We are now fully active on Twitter and Facebook.

Both our Twitter Account: @StowmarketHigh and our Official Facebook Page @StowmarketHighSchool will be kept up to date with the latest happenings, important reminders and exciting news to keep you fully in the loop both at home and on the go.

Please help us develop our new Facebook and Twitter communities by sharing our page with your friends and contacts. We hope you will follow and 'like' our new social networking tools!

We will also shortly be launching our School Alumni page:

- Did you attend Stowmarket High School?
- What are you doing now?

Please get in touch with your details so we can come together to celebrate both past and present success stories from our School.

If you are interested in joining our Alumni Network please drop me an email: my@stowmarkethigh.suffolk.sch.uk.

Kind regards
